

The 2010 144 MHz Digital EME Championship

sponsored by DUBUS and REF

The 144 MHz Digital EME Championship is intended to encourage world-wide activity on 2m moonbounce. Each different call prefix forms a multiplier.

1. Championship Date

August 7th 00:00 to August 8th 23:59 UTC (48 hours) 2m Digital only

2. Sections and Awards

No sections! The first 10 places will get an award. The winner will get 1 year free DUBUS subscription.

3. Rules

For the purpose of the contest only one scoring per valid QSO with the same other callsign can be logged. No other limitatons! Use of loggers and cluster is allowed.

4. Contest Exchange

For a valid EME QSO, both stations must have copied all of the following via the EME radio path:

4.1 Both callsigns from the other station

4.2 Signal report from the other station

4.3 R, from the other station, to acknowledge complete copy of 4.1 & 4.2

5. Logs

Logs should be in usual logbook format. Exported files from logging software are acceptable.

Each QSO: Date/Time, Callsign, Report sent, Report received

Bottom line: Total QSO points, total multipliers, total claimed score.

6. QSO Points

1 point for each QSO completed (random = sked)

7. Multipliers

Each different call prefix is a multiplier (e.g. CT1, DK9, SM2, SM3, S51, S54, G6, KM5, W5, JA6, VK4, WA6, K6, PA1, PE1, etc). See example of WPX Contest rules for further details on prefix multipliers.

8. Total Score

Score = Total of QSO points * Total of multipliers.

9. Contest Entries

Copy of the log with details of points, multipliers and total points. Also add name(s) and call(s) of operator(s) and grid locator. Other info is welcome: Comments, conditions, station details, photographs, etc.

10. Sending Your Entry

Contest entries **MUST** be sent no later than **14 days via Email only** after the end of the contest weekend

(i.e. by **August 22nd, 2010**) to: **FUNK-TELEGRAMM@t-online.de**

All email entries will be acknowledged within 5 days. If not, pse resent your entry!

Good Luck and 73! Joachim Kraft, DL8HCZ/CT1HZE
